Dear Mrs Stuckland

I was told by someone that had visited your Library, that you might help me trace my Choctaw Hickman ancestors from Neshoba Co. Miss my grand father

Cornelius H. Hickman Roll # 8929  
Born 1853 believed to be near ~~plattaburg~~  
plattaburg miss

His Father FO - Lema - Cha be Born 1825 -  
1850

Mother FA - NA - MAT EONA

Cornelius married Liza A Sockey.  
They had two sons Jeff Hickman Born  
1886 Ernest Born 1890 in miss

They were moved to Ok 1893 - 1900 -  
my father Jeff ~~don't~~ remember if his  
family left relatives in miss or what  
happen. The puzzle is why are  
the Cornelius Hickmans past ~~not~~ have  
different names or is the name wrote in

Choctaw language - I don't speak  
Choctaw so I don't no.

I've ask alot of people about the  
last name no one seems to know.

I wrote H. worth archives, but they  
didn't have a roll # or didn't come  
to ok. so can't find out anything.  
Do you have any Genealogy stuff  
about the Choctaw's that were left  
behind? They must have lived on  
reservation. I heard that was a  
lot of Hickmans that still live on  
reservations there near philp.

There must be some records some  
where.

I'd appreciate any help or advice you  
might have. or search fees.

Thank you
